These street level mobile billboards are placed on a state-of-the-art GPS equipped fleet of delivery trucks that service each key neighborhood of New York City and New Jersey.

You can hand pick your desired demographic from the Jersey Shore to Midtown Manhattan, the Beaches of the Hamptons or the five boroughs. You can reach the hipster in the LES, the business traveler in the financial district, the trendy scene in the Meatpacking, Times Square or blanket the entire city for full coverage!

Our Operator has been providing the tristate community for over 70 years specializing in national drugstore chains, supermarkets, food service accounts, office buildings, restaurants and convenience stores. They target major stores such as Walgreens, Rite aid, CVS, Duane Reade, Family Dollar, multiple supermarkets, schools, and local businesses.

These trucks average 28 stops, each hitting various locations in residential areas where other types of outdoor advertising are prohibited. Multiple trucks are available and ready to go on special routes for special events or charters.
