BEVERLY HILLS / HOLLYWOOD COMMUTER

These 45' motor coach state of the art AVTA commuter buses start their day driving south on the 405 reaching the famous UCLA campus and making multiple daily stops while spending hours in some of the country's busiest highways and most affluent neighborhoods. These dedicated commuter buses captivate the eyes of tens of thousands of commuters, residents and visitors on a daily basis, improving the reach and frequency of a campaign at a low cost.
